Congratulations!

Your dedication and hard work really paid off!

Areas where you excelled

- **Create files and directories**
  You were really strong in this area.
- **Search for files by using the * wildcard**
  Looks like you have a strong grasp on this material.
- **Search for a specific number of characters by using the ? wildcard**
  No doubt about it, in this section you know your stuff.
- **Search for a range of values by using the [] and ! wildcards**
  After completing this section, it's obvious you know what you're talking about.
